AND PRODUCTION

13 CLIMATE
ACTION

14 LIFE
BELOW WATER

15 LIFE
ON LAND

16 PEACE, JUSTICE
AND STRONG
INSTITUTIONS

17 PARTNERSHIPS
FOR THE GOALS

SDGs: Goal 8

Promote sustained, inclusive and sustainable economic growth, full and productive employment and decent work for all

12 targets 17 indicators; among the targets related to world of work

Achieve higher levels of economic productivity through diversification, technological upgrading and innovation, including through a focus on high-value added and labour-intensive sectors

Promote development-oriented policies that support productive activities, decent job creation, entrepreneurship, creativity and innovation, and encourage the formalization and growth of micro-, small- and medium-sized enterprises, including through access to financial services

By 2030, achieve full and productive employment and decent work for all women and men, including for young people and persons with disabilities, and equal pay for work of equal value

By 2020, substantially reduce the proportion of youth not in employment, education or training

SDGs: Goal 8 (cont'd)

Promote sustained, inclusive and sustainable economic growth, full and productive employment and decent work for all

12 targets 17 indicators; among the targets related to world of work

Take immediate and effective measures to eradicate forced labour, end modern slavery and human trafficking and secure the prohibition and elimination of the worst forms of child labour, including recruitment and use of child soldiers, and by 2025 end child labour in all its forms

Protect labour rights and promote safe and secure working environments for all workers, including migrant workers, in particular women migrants, and those in precarious employment

By 2030, devise and implement policies to promote sustainable tourism that creates jobs and promotes local culture and products

By 2020, develop and operationalize a global strategy for youth employment and implement the Global Jobs Pact of the International Labour Organization

Eleventh Malaysia Plan (2016-2020)

Strategic short term development plan that paves the way for Malaysia.

Represents the Government's commitment to fulfilling the aspirations of the people.

Based on the theme “anchoring growth on people”

Six strategic thrusts and six game changers towards becoming an advanced economy and inclusive nation by the year 2020.

Eleventh Malaysia Plan (2016-2020)

Six Strategic Thrusts

Enhancing inclusiveness towards an equitable society

Improving wellbeing for all

Accelerating human capital development for an advanced nation

Pursuing green growth for sustainability and resilience

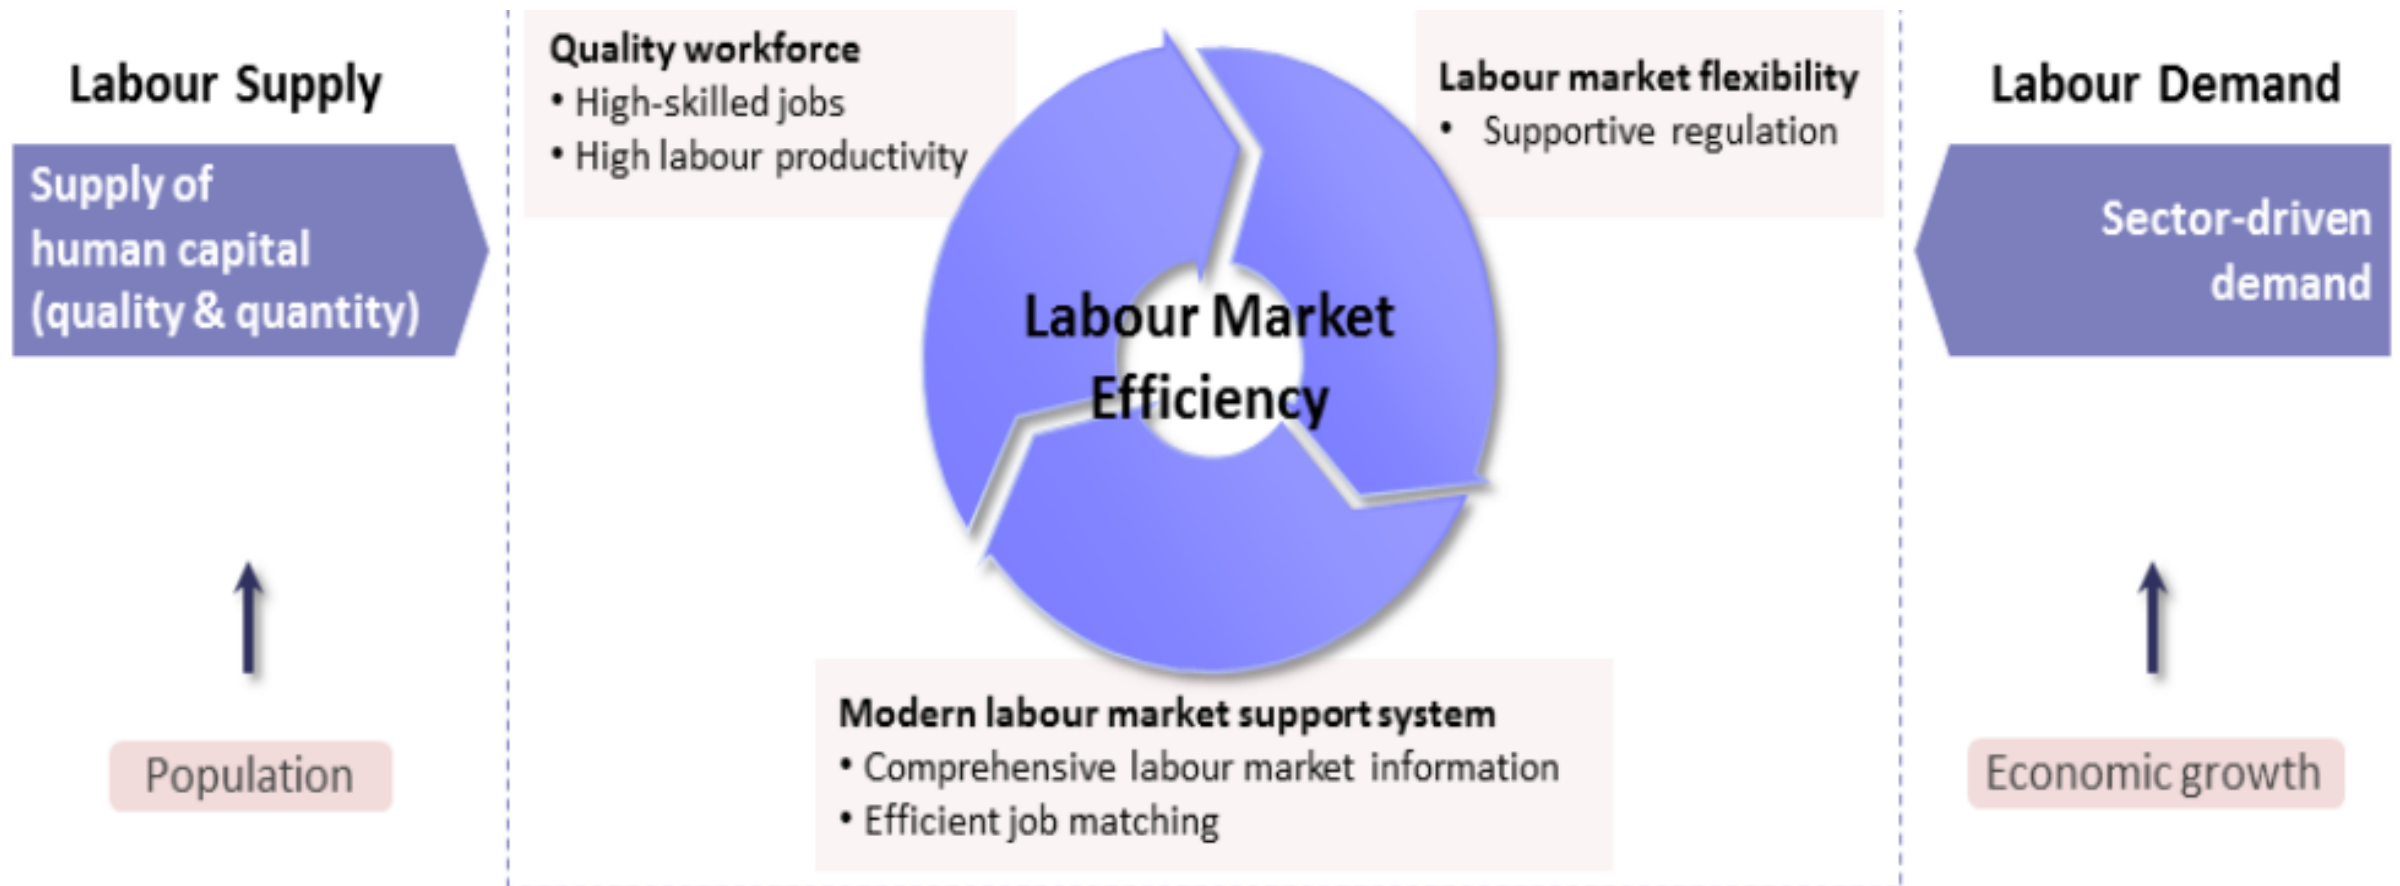

Strengthening infrastructure to support economic expansion

Re-engineering economic growth for greater prosperity

Eleventh Malaysia Plan (2016-2020)

Framework of Labour Market Efficiency

Eleventh Malaysia Plan (2016-2020): Eleven initiatives to improve the labour market

Improving productivity, job creation and wage structure	1	Increase labour productivity
	2	Increase high-skilled jobs
	3	Reduce wage gaps
	4	Create wage index
Enhancing labour market information	5	Eliminate unstructured and disconnected labour market information
	6	Reduce mismatch in the labour market
	7	Reduce youth unemployment
	8	Increase women's participation
	9	Increase effectiveness of labour registration
Improving management of foreign workers	10	Reduce dependency on low skills foreign workers
	11	Increase efficiency in the management of foreign workers

Malaysian Youth Policy

Statement

“Strengthening the human capital and the potential of youth as the driver for the future strategic development of the country in accordance with the Federal Constitution and Rukun Negara.”

Goals

1. Increase the **involvement** of youth as **responsible citizens** in the initiatives at the national, regional and international levels.
2. Highlight the **potential** of each individual youth by celebrating everyone's diversity and differences.
3. Expand the **access** to priority areas and youth development **initiatives** for the benefit of all target groups.

Generation and flow of labour market statistics in Malaysia

COLLECTION	PROCESSING	ANALYSIS	DISSEMINATION
