# "STATISTICS BLOOM IN HARMONY"

Doesn't matter far or near  
Strength in numbers  
we don't live in fear

Birds of feather flock together  
Statistics our form of adour  
We, will always live it up

## Prechorus

So let us live in solidarity  
And in the world arena we'll succeed  
It is statistics that will come to be  
The reason we will bloom in harmony

## Chorus

Everybody undivided  
Data's where our hearts reside in  
There will always be a bind

Just like fire that ignites  
That's how brightly lit our dreams are  
We'll reach higher than the stars

Sending love to one another  
Leaving no one in a slumber  
We will stand with unity

Mustering our courage while  
Embracing our disparities  
We'll achieve our victory

One dream with unity  
One love with harmony
