İSMEK

ISTANBUL ART AND VOCATIONAL EDUCATION COURSES

ISTANBUL METROPOLITAN MUNICIPALITY

Istanbul, which is one of the most important settlement places of the world, had been the capital of three empires and has been the meeting point of three holy religions and many civilizations.

ISTANBUL METROPOLITAN MUNICIPALITY

In recent years, the fast globalization process, increasing technological innovations and the competition in share distribution of international markets have led countries to improve their human resources.

ISTANBUL METROPOLITAN MUNICIPALITY

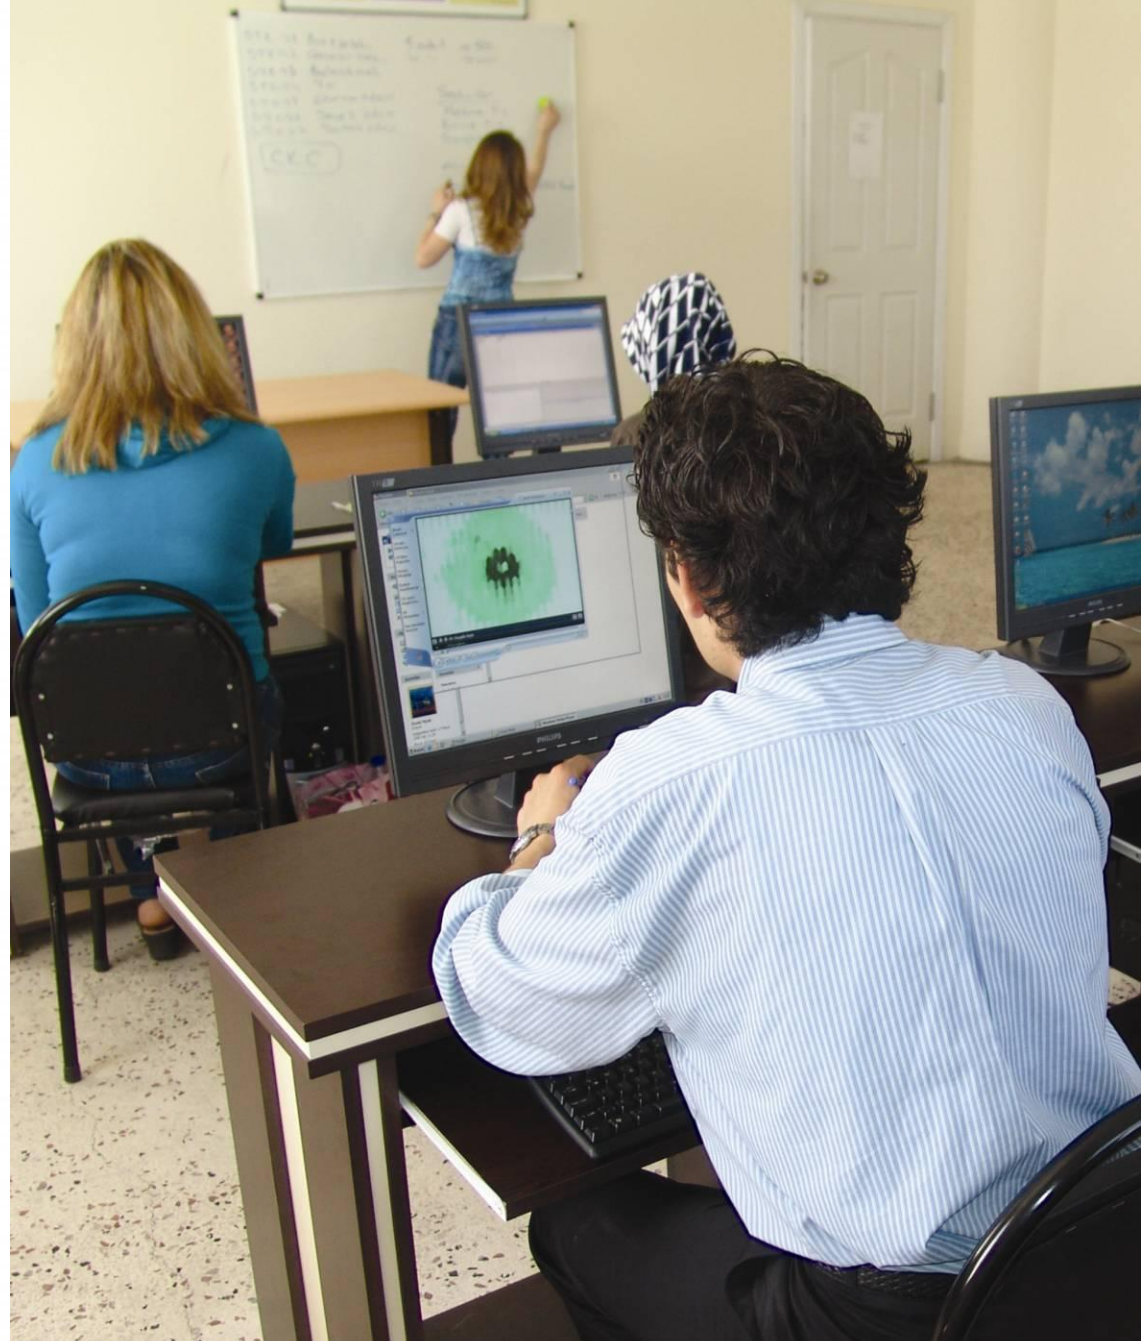

In addition to routine municipal activities, Istanbul Metropolitan Municipality attributes great importance to “social municipal” services as a requirement of modern local administration understanding. **That is why, “VOCATIONAL EDUCATION” is one of the priority services offered by Istanbul Metropolitan Municipality.**

Symposiums

“Lifelong Learning Culture and Vocational Education International Symposium”

Symposium, has been organised on 16-17 June 2012 in Feshane International Exhibition, Congress and Culture Center. During this symposium which, participants from abroad presented declarations, Vocational Education’s past, present and future is discussed and suggestions on employment and new visions are presented.

Until now İSMEK, has organised 6 symposiums on adult education and handcrafts.

Our Suggestions

- **Taking İSMEK as a Model in the field of Vocational Education**
- **Preperation of Participant Cities to Job Culture**
- **Implementation of “Master Trainers” Programme on Vocational Education.**
- **Sharing Experience and Information among Member Cities**
- **Organising symposium and workshop, on “Vocational Education’s Role on Member Cities’ development.**
- **Creation of a “Vocational Education Projects Fund” by OIC, for its Member States and persuasion of Islamic Development Bank for supporting this Fund.**

Our Suggestions

- **Starting “Municipal Services Educations” for Islamic Countries by IMM**
- **Building up a common vision for giving education and providing mobility to qualified employees that sectors need.**
- **“Job Standards” should be determined among Islamic Countries; examination and certification system should be developed and Job Standards Institution should be established.**

In Istanbul for the Educational Year 2012-2013 with IMM – SESRIC cooperation ; education programmes are planned for the Training of Trainers, participating from Azerbaijan, Senegal, Egypt, Saudi Arabia, Cameroon, Sudan and Kuwait.

EXPRESSING OUR WILLINGNESS TO COOPERATE IN
ACCORDANCE WITH THE MAIN GOALS OF OIC-VET, I
REMAIN
