Information and Communications Technology Capacity Building Programme (ICT-CaB)

International Symposium on 'ICT Impact on Municipal Service Development: Towards E-Government' on 18-20 May 2010

Objectives:

To emphasize the importance of utilizing the Information and Communication Technologies (ICT) and e-Government as a tool for the achievement of sustainable development and enhanced decision making.

- * To define the basic, current and prospective, needs, obstacles and electronics-related priority issues in the field of e-government and municipal services.
- * To define the strategic and empirical considerations for implementing electronic municipal and e-Government services and e-service documentation and processes.
- * To exchange experiences between the different municipalities and specialized agencies, in the field of local e-Government services, and presentation of the best practices at both regional and international levels.

Information and Communications Technology Capacity Building Programme (ICT-CaB)

International Conference on eGovernment: Sharing Experiences (eGOVsharE2009) on 8-11 December 2009

Objectives:

- to provide a platform for leaders, public managers and professionals, researchers as well as academicians from all over the world to share their practices, ideas and research results.
- to explore collaboration potentials through the exchange of practical experiences in eGovernment project implementations within the region.

Information and Communications Technology Capacity Building Programme (ICT-CaB)

SESRIC's Meeting with the Representatives of OIC Member Countries on the Sideline of the 'International Conference on eGovernment: Sharing Experiences (eGOVsharE2009)' on December 9, 2009

The meeting was attended by 40 participants from both public and private sectors in 14 OIC member countries; namely: Afghanistan, Bangladesh, Iran, Jordan, Kuwait, Kyrgyz Rep., Lebanon, Morocco, Pakistan, Palestine, Qatar, Sudan, Syria and Turkey.

Information and Communications Technology Capacity Building Programme (ICT-CaB)

Some of the OIC projects that have been suggested during the meeting:

- 1. Establishment of a follow-up committee to meet regularly and come out with recommendations pertinent to eGovernment applications
- 2. Creation of Information Portal by SESRIC whereby members can share problems and solutions
 - -Establishment of an eGovernment Experts Database
 - -Establishment of an OIC ePractice community
 - -Initiation of an ICT fellowship programme
- 3. Establishment of some working groups with the view to work on different aspects of eGovernment, such as:
 - -Norms and standards of OIC-eGovernment Applications and Practices
 - -eSecurity
 - -eLearning
 - -Determining the sub-regional technical cooperation groups for sharing eGovernment experiences
- 4. Establishment of sub-regional technical cooperation groups for sharing eGovernment experiences
- -Organization of annual OIC meetings on eGovernment applications
- -Establishment of an International Islamic ICT Union
